DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 23RD WING (ACC)
MOODY AIR FORCE BASE GEORGIA

NOV 21 2011

MEMORANDUM FOR MOODY AFB PERSONNEL

FROM: 23 WG/CC

SUBJECT: Moody Air Force Base Environmental Policy Statement
(S/S all previous memorandums with similar subject headings)

1. Our continuing commitment to be good environmental stewards and to continually improve our environmental performance is an important part of the mission at Moody AFB. We ensure the quality of our environmental stewardship through aggressive pollution prevention, restoration, natural resources conservation, and environmental compliance initiatives. We must continue to fully integrate environmental concerns in all phases of operations at Moody AFB. We are commited to comply with all applicable federal, state, local, DoD, and Air Force environmental laws and regulations. In support of our environmental goals, we will:

a. Maintain an effective environmental management system, promote the use of technologies and operating practices, and remain ready to respond to emergencies in order to improve our environmental performance and minimize adverse impacts to installation workers, their families, and the environment.

b. Set environmental goals, measure progress, take corrective action when necessary, and communicate results and other environmental information regarding the installation's operations and its environmental accomplishments to our airmen, the community, suppliers, regulators and the public.

c. Investigate and evaluate new and innovative technologies as appropriate, establish, and implement an effective pollution prevention program, minimize the generation of wastes, recycle materials destined to become waste and dispose of any remaining wastes in an environmentally responsible manner.

d. Ensure the responsible use of energy throughout the installation, including the adoption of innovative procedures that will conserve energy and improve energy efficiency.

2. By promoting a truly cross-functional approach to environmental stewardship, Moody AFB will ensure that onwership and responsibility for protecting and enhancing our environment rests not with one office or squadron, but with the entire 23rd Wing.
