

Money Matters

A Finance Office Publication for Moody Air Force Base

BAH & TSP Information

Key Facts for BAH

BAH rates are based on local area rental market data and vary by geographic duty station, pay grade and dependency status. The average cost of utilities is also considered.

BAH is based only on rental properties, not homeownership costs, such as mortgage payments and property taxes.

BAH also includes rate protection. This means, if a member's current BAH rate is less than the previous year, the member receives at least the same amount of BAH as the previous year, provided that the member's duty location, rank and dependency status stays the same.

How to Receive BAH

If you just got married and need to receive dependent BAH go to [Efinance](#), fill out form 594 and attach your marriage certificate.

If you are a dorm resident finance will also need the dorm terminating letter from dorm management before we can process BAH.

If you are single and have children please submit an inquiry on CSP for correct instruction regarding your specific case.
