

\*UPDATE: Regarding Already Processed Prescriptions\*

The below info graph is how the 23d MDG will be handling already processed prescriptions ONLY.

-Tricare beneficiaries will be contacted to pick-up already processed prescriptions. They will receive their medications by a drive-thru pick up service and will not proceed into the clinic. Please read ALL detailed info below.

-More information to come regarding prescription refills that were not called in BEFORE 13 March. We are continuing to follow the CDC's guidelines and practice safe measures for both our staff and our patients.
