HEADQUARTERS 23D WING (ACC)
MOODY AIR FORCE BASE GEORGIA

MEMORANDUM FOR 23 WG PERSONNEL, TENANTS, AND CONTRACTORS

FROM: 23 WG/CC

SUBJECT: 23d Wing Environmental Commitment Statement

1. The 23d Wing is committed to environmental stewardship by all assigned personnel. Our efforts in pollution prevention, restoration, natural resources conservation, and environmental compliance protect and sustain the resources needed to organize, train, and equip our Airmen to meet the mission of the 23d Wing and defend our nation. Our goals are to continue to integrate environmental interests into all phases of the mission and operations throughout the 23d Wing, to include Moody Air Force Base, Grassy Pond Recreational Annex, Grand Bay Range, and Avon Park Air Force Range (AFR), FL.
2. We are committed to comply with all applicable federal, state, local, DOD, and Air Force environmental laws and regulations. In support of our environmental goals, we will maintain air and water quality, protect valuable natural resources, and manage waste materials in a manner that reduces the land disposal burden. Likewise, Avon Park AFR will maintain air and water quality and protect valuable natural and cultural resources, to include management of listed species and the sustainment of training land availability and quality through adaptive land management.
3. We will accomplish our goal of continuous improvement in environmental stewardship through implementation of a CLEAR approach:
 - a. Creating realistic improvement targets and goals for the environmental programs.
 - b. Leveraging needed resources to meet targets.
 - c. Evaluating progress towards our environmental programmatic goals.
 - d. Adjusting methods and resources as needed.
 - e. Reaching and surpassing established goals for environmental programs.
4. All members of the 23d Wing recognize the importance of protecting our environment and stand ready to protect our critical natural resources IAW established guidelines and directives.
