

What is eFinance?

eFinance is an online application where service members will upload their files and submit documents for various forms of pay. eFinance was created to support military finances virtually and speed up pay processes for items like PCS, BAH, and Family Separation Allowance (FSA).

First time users will need to register on the home page.
Follow this link to navigate to eFinance: <https://efinance.sso.cce.af.mil/>.

First time users or users with dependent changes will need to update their profile. This is essential to form completion. Members will not be able to file FSA or BAH changes without their profile being updated.
